

COLOQUIO MODELOS DE CRISIS

Centro de Investigación Núcleo Milenio Modelos de Crisis [NS130017]

*Social Integration and Diversity.
Connecting models and big data analysis*
Andreas Flache

El **Centro de Investigación Núcleo Milenio Modelos de Crisis** de la Universidad Adolfo Ibáñez invitan a usted al Coloquio Modelos de Crisis. En esta oportunidad el Prof. Dr. Andreas Flache dictará la charla *Social Integration and Diversity. Connecting Models and Big Data Analysis*. El encuentro se realizará el **martes 15 de noviembre a las 10:50 hrs. en la sala 401 (Edificio C)** del Campus Peñalolén de la Universidad Adolfo Ibáñez (Diagonal Las Torres 2640, Peñalolén, Santiago).

Andreas Flache is Professor of Sociology at the Department of Sociology, University of Groningen, Holland. His main research addresses are social integration, cooperation problems, social networks and learning theory. Currently he works on social cohesion, time, and structure in diverse, complex societies. He applies agent based computational and game theoretical modeling, laboratory experiments, survey research, network research, and big data analysis.
