

## Cooperation Conference Millennium Science Initiative - Max-Planck Society

### Venues and dates

Friday, January 22, 2016

Cultural Center: Parque Cultural Valparaíso (ex Cárcel)

Address: Calle Cárcel 471, Cerro Cárcel. Valparaíso

### Friday, January 22:

10:30 – 11:00 Registration

11:00 - 11:15 Welcome by Dra. Virginia Garretón, Executive Director of the Millennium Science Initiative

11:15 - 11:30 Welcome by Prof. Dr. Martin Stratmann, President of the Max Planck Society for the Advancement of Science

11:30 – 11:45 Welcome by Dr. Ramón Latorre, Director of the Millennium Institute Interdisciplinary Center for Neuroscience of Valparaíso

11:45 – 12:00 Welcome by Dr. Rolf Schulze, German Ambassador in Chile

12:00-12:30 Coffee break

12:30 – 14:00 Parallel Working groups:

#### Group 1: Astronomy / Astrophysics

- Simón Casassus, Director, Millennium Nucleus Protoplanetary Disks in Alma Early Science
- Thomas K. Henning, Director Max Planck Institute for Astronomy
- Matthias R. Schreiber, Millennium Nucleus Protoplanetary Disks in Alma Early Science
- Roy Van Boekel, Max Planck Institute for Astronomy
- Felipe Olivares, Millennium Institute of Astrophysics
- Axel Weiss, Max Planck Institute for Radioastronomy

### Group 2: Neuroscience and Behavior

- Carolina Frankl-Vilches, Max Planck Institute for Ornithology
- Andrés Chávez, Millennium Nucleus Biology of Neuropsychiatric Disorders
- Manfred Gahr, Director Max Planck Institute for Ornithology
- Matías Hernandez, Max Planck Institute for Biochemistry
- Pedro Maldonado, Millennium Institute Biomedical Neuroscience.
- Agustín Martínez, Millennium Institute Interdisciplinary Center of Neuroscience, Valparaíso

### Group 3: Social, Economics and Legal Studies

- Cristóbal Rovira Kaltwasser, Millennium Nucleus on Critical Citizens, Politicization of Inequality and Institutions: Chile's Political Representation in Comparative Perspective
- Jens Beckert, Director Max Planck Institute for the Study of Societies
- Felipe Balmaceda, Millennium Institute for Research in Market Imperfections and Public Policy
- Matías Dewey, Max Planck Institute for the Study of Societies
- Thomas Duve, Director Max Planck Institute for European Legal History
- Aldo Mascareño, Millennium Nucleus Model of Crises: the Chilean Case

### Group 4: Chemical Ecology and Plant Sciences

- Joceline Barrios San Martín, Millennium Nucleus in Molecular Ecology & Evolutionary Applications in Agroecosystems
- Wilhelm Boland, Director Max Planck Institute for Chemical Ecology
- Rodrigo Gutiérrez Millennium Nucleus Center for Plant Systems and Synthetic Biology
- Claudio C. Ramírez, Millennium Nucleus in Molecular Ecology & Evolutionary Applications in Agroecosystems
- Stephan Von Reuss, Max Planck Institute for Chemical Ecology
- Lothar Willmitzer, Director Max Planck Institute for Plant Physiology

### Group 5: Nanobiophotonics, Structural Biochemistry and Biomolecular Systems

- Guilherme Xavier, Millennium Nucleus Advanced Optics
- Stefan Raunser, Director Max Planck Institute for Molecular Physiology
- Rodrigo Vicencio, Millennium Nucleus Advanced Optics
- Peter H. Seeberger, Director Max Planck Institute for Colloids and Interfaces
- Aldo Delgado, Millennium Nucleus Advanced Optics
- Daniel Varon Silva - Max Planck Institute for Colloids and Interfaces

14:00-16:00 Lunch (Included only for speakers)

16:00-17:30 Continued: Working Parallel Groups

### **Closure of the public part of the conference**

- 17:30-18:00 Coffee Break (for Max-Planck and Millennium members only)
- 18:00-19:00 Plenary discussion about the Future of Scientific Cooperation between researchers from Chile and Max Planck Institutes: Topics and Proposals from the Working Groups (5 minutes report from each group and plenary discussion)
- 20:30 Conference Dinner  
*Participants:* Directors of Max Planck Institutes and Millennium Centers
